### **La Mesa Rotary Club to Assist Clairemont Senior Citizen**

***Volunteers will remove large amounts of debris and clutter from inside and outside of the house***

**San Diego, CA-** On Saturday, August 30, 2003, at 4204 Clairemont Drive, volunteers from the La Mesa Rotary Club will assist an elderly Clairemont resident in cleaning out her residence and backyard property, at the request of Councilmember Donna Frye. The disabled senior citizen has accumulated large amounts of clutter and debris over many years and does not have the physical ability to remove it herself.

“When concerned residents contacted me regarding the situation, I immediately sought the assistance of the Rotary Club, who had helped another citizen in a similar situation in Serra Mesa last year,” commented Councilmember Frye. “When people work together to help fellow citizens, we continue to strengthen our community bonds”.

Councilmember Frye and the La Mesa Rotary Club have worked closely in coordinating this cleanup project. [Rotary](#) is an organization of business and professional leaders united worldwide who provide humanitarian service, encourage high ethical standards in all vocations, and help build goodwill and peace in the world. The main objective of Rotary is service — in the community, in the workplace, and throughout the world. The Rotary Foundation of Rotary International is a not-for-profit corporation that promotes world understanding through international humanitarian service programs and educational and cultural exchanges. It is supported solely by voluntary contributions from Rotarians and others who share its vision of a better world.
